

HORNET COVID PROCEDURES

Days & Times Open to the Public:

Friday – Monday: Open to the public from 10AM – 5PM

Tuesday – Thursday: Closed except for programming booked in advance

Operation Procedures:

- All visitors and crew will be required to wear masks while at the Museum
- One-way entrances and exits are enforced during open hours
- The Flight Deck is accessible by one-way up and down ladders
- Food service (Jose's food truck) is offered on the Hangar Deck on weekends, and it is recommended that only singular family/visiting units share a table

Cleaning Procedures:

- Thorough cleaning in high traffic areas is performed regularly and commonly used surfaces are frequently disinfected
- All shared equipment and touchable surfaces are regularly cleaned and sanitized
- The Museum will be cleaned daily before we open to the public
- Bathrooms are cleaned multiple times throughout the day
- High-traffic handrails are regularly cleaned throughout the day
- Visitor entrances and exits, and points of sale are equipped with proper sanitation products, including hand sanitizer and/or sanitizing wipes
- Employees are provided adequate time to implement cleaning practices before and after shifts.

Physical Distancing Guidelines to Keep People at Least Six Feet Apart

- Tape or other markings have been placed at least six feet apart in visitor queuing areas with signs directing visitors to use the markings to maintain distance

Individual Control Measures and Screenings

- Most to all of the Museum crew has been fully vaccinated but everyone will continue to wear masks in difference to visitor safety.
- Museum crew who are sick or exhibiting symptoms of COVID-19 are directed to stayhome and CDC guidelines will be followed for when that employee can return to work.
- Employees are provided with all required protective equipment and the employer ensures this equipment is worn properly at all times. (Facemask and gloves)
- Face coverings are required when employees are in the vicinity of others. Face coverings are not shared at this worksite.
- Employees take reasonable measures to communicate with the public that they should use face coverings.

Notification of COVID-19 Positive Case at your Worksite

- County of Alameda Public Health is notified of all positive COVID-19 cases
- If a Museum crewmember is diagnosed with COVID-19, Alameda County Public Health will provide assistance in the assessment of potential worksite exposures, and any recommended testing, quarantine, or isolation instructions.
- Employers and employees are aware that they can call Alameda Public Health if a suspected exposure has occurred at 510-267-800

Training Employees will be trained on the following topics:

- Information from the CDC on COVID-19, how to prevent it from spreading, and which underlying health conditions may make individuals more susceptible to contracting the virus.
- Self-screening at home, including temperature and/or symptom checks using CDC guidelines.
- The importance of not coming to work if employees have a frequent cough, fever, difficulty breathing, chills, muscle pain, headache, sore throat, recent loss of taste or smell, or if they or someone they live with have been diagnosed with COVID-19.
- The importance of seeking medical attention if an employees' symptoms become severe, including persistent pain or pressure in the chest, confusion, or bluish lips or face.
- The importance of frequent hand washing with soap and water, including scrubbing with soap for 20 seconds (or using hand sanitizer with at least 60% ethanol or 70%

isopropanol when employees cannot get to a sink or hand washing station, per CDC guidelines).

- The vulnerability of older adults and people with chronic medical conditions, and the need to practice particular caution to protect these groups.
