- Live demos: navigation, air pressure, catapult design
- Free pizza from  **Domino's**

A Special Day Aboard the USS Hornet Sea, Air & Space Museum

Join us aboard the legendary USS Hornet Sea, Air & Space Museum for a special Techs on Decks Day, **Free for students & educators with ID**, this event invites students and teachers to enjoy hands-on learning, historical exploration, and interactive activities aboard one of the most storied aircraft carriers in U.S. history. Sponsored by the Community of Information Systems Executives (CISE).
